NOTICE

Pool Shade Structure Repairs Timing Update

In an effort to reduce the amount of days the swimming pool will need to be closed for these repairs, Tuesdays will be utilized as much as possible.

The pool is normally closed for chemical cleaning on Tuesdays.

NOTE: Schedule subject to change without notice due to unforeseen events.

August 24, 2010

The pool will be closed all day.

Existing "smaller" structure will be taken down and columns removed to adjust height.
 Barrier fence will be erected around top piece.

Pool reopens August 25th @ 5:30 AM.

September 7, 2010

The pool will be closed all day.

Drill holes for concrete footers and erect columns.
Pool reopens September 8th @ 5:30 AM.

September 13 & 14, 2010

The pool will be closed all day; both days.

Reassemble existing "smaller" shade structure.
Pool reopens September 15th @ 5:30 AM.

STATUS ON "LARGER" SHADE STRUCTURE

Awaiting final approved drawings from engineer.
Upon receipt of final drawings City of San Antonio permit process begins.
