Dear Greg Heaton,

Welcome to Oak Ridge Village Homeowners Association eNEWS. A service that homeowners can subscribe to get HOA news, advisories, event notices, and information fast easy and free! Please help pass the word and forward this email to your neighbors. As always, please visit our community's web site at <http://www.orvhoa.com/> for more detail information and news.

BE THE FIRST TO KNOW - WITH eNEWS!

We Need Your Help

Our Director at Large, Robert Sherwood, has scheduled truck load deliveries of top soil and grass sod and has volunteered to landscape the much needed areas around our Club House.

He has taken time off from work to complete this task.

If you can possibly help Robert, please bring your gloves, rake, shovel, and wheelbarrow to the Club House area Tuesday, April 12, 2011 @ 9:00 A.M. (or anytime during the day Robert is still there) to help him landscape around our recreational areas.

It will be WARM so if you can't help with the work bring some lemonade, water, or sodas for the volunteers!

Join the fun and get to know you neighbors at this community event.

Be sure to check the News & Events Page on our community web site at <http://www.orvhoa.com/> for more news and detail information.

Sincerely,

eNEWS Team - Communications Committee
Oak Ridge Village Homeowners Association, Inc.
