The Board of Directors of Oak Ridge Village Homeowners Association would like to inform you about their quarterly Board meetings. Effective January 1, 2012, the Texas Property Code and Texas Open Meetings Act was amended by the Texas Legislation requiring the Board of Directors to notify Members of the Association when and where a Board meeting takes place and the proposed agenda. While

the amendments in the laws give Members the right to attend Board meetings they do not give the Members the right to participate. The Board encourages the Members to attend and will allow Members the opportunity to speak during an Open Forum of Members at the beginning of each meeting.
