Please Note:

The HOA signs that promote community events and other HOA information that disappeared from our island entrance were removed by the City of San Antonio Code Compliance. They refer to them as Bandit Signs and do not allow them on city property or right-of-ways.

Keep in mind that the streets and sidewalks in our subdivision are public city streets with a ten (10) foot right-of-way from the curb. Street & sidewalk maintenance, parking & traffic law enforcement, and code enforcement is the responsibility of the City.

Our community signs will now be located by the white picket fence

to the right when entering the subdivision from Thousand Oaks.

**Be sure to check the News & Events Page on our community web site at
<http://www.orvhoa.com/>
for more news and detail information.**

Sincerely,

**eNEWS Team - Communications Committee
